Fall 2024 Rules

Lake Placid rules (www.lpsftball.com) will be used with some modifications.

- * Batters will start with a 1 & 1 count
- * 5 run rule each inning (no "catch-up" rule). 8th inning is open.
- * Balls hitting pitching screen are DEAD balls. (Not a BALL nor a STRIKE.)
- * A WALK is a WALK - batter goes to 1st.
- * The 4 outfield positions CANNOT throw out the batter running from home to 1st.
- * Substitute runners can run once per inning.
- * Substitute runners running from Home are NOT limited to a single. They can go where the hit takes them.
- * All rostered players must be in the batting rotation and must play at least 4 innings in the field.
- * No substitute players allowed unless rostered players drop to 10 or less.
- * No rostered player will be sitting out while a sub plays in the field.
- * **All batters are expected to run to 1st base before getting a substitute runner.**

Exceptions are allowed for injuries or other medical conditions. Managers should exchange their list of players needing a runner from Home before each game.
